

Welcome to the Sunbeams Lutheran School and Lutheran Church of the Cross family. Your child is a precious gift from God. Our school program has been designed to prepare your child for a love of learning, both for now and for the future. It is our purpose to offer a quality education which nurtures the whole child, founded on high academic standards, with Christ as the center around which all activity revolves. We strive to equip students to face the challenges of everyday life from a Christian perspective. SUNBEAMS LUTHERAN SCHOOL

Lutheran Church of the Cross is pleased to be able to support this ministry to preschool through 3rd grade children and their families. Our program began in 1978 and continues to meet the needs of children and families today.

Our mission is to provide a safe, Christian environment where learning and growing take place. Children will be nurtured so that they can grow physically, socially, spiritually, intellectually, and creatively. We are grounded in developmentally appropriate practices within a hand's on learning environment. Your child's year will be filled with joyful times of learning, growing, exploring, creating, and discovering. Your child will be provided enriching experiences to participate in to help him/her develop into the unique individual God intended him to be.

Each Preschool and Pre-kindergarten class is limited to 18 students working with one teacher and an instructional aide, maintaining an 9-1 ratio. Our kindergarten class can accommodate 18 children. Our 1st/2nd grade classes are limited to 20 students per classroom.
